

# Dodd Field Scoreboard Instructions

Issaquah Little League – May 2010

**SCOREBOARD** is stored in shed – in black canvas cover and weighs only 10 pounds. Flip up the Dodd Field sign and snap in place. Remove the remote velcroed to back of the scoreboard. Lift up and place mounting hole on top of pole behind the backstop. Orient toward field, scoreboard locks in place on V groove on top of post.

**To turn ON** – press the Green button found on top of the scoreboard. Will stay on for 30 minutes with no activity. Scoreboard resets to 0.

**To Control** – use the remote to advance balls, strikes, outs, inning and score. (GUEST lines up with Visitor dugout on 1<sup>st</sup> base side, HOME with Home dugout on 3<sup>rd</sup> base side). When it reaches 3 strikes or 4 balls it resets to 0-0 count. To clear any single item, press CLEAR and then the button for the item to reset. Remotes must stay with same scoreboard!

**To turn OFF** – press and hold the POWER button for 3 seconds. Remove, fold down sign flap, velcro remote to back panel, cover and store in shed. **DO NOT LEAVE OUT!**
